Mi English Prompt — Batch 009（词汇）

风格：可爱扁平插画，幽默夸张，辅助记忆 | 用于 LOVART 生图

1. year-on-year growth（同比增长）

文件名: year-on-year-growth.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English phrase "YEAR-ON-YEAR GROWTH" displayed prominently, with two "YEAR" mirrored on each side and "GROWTH" in bold orange with an upward arrow. Two calendar books labeled "去年" and "今年" stand side by side, the "今年" one is comically taller and more muscular, flexing its pages. The "去年" one looks up nervously. Chinese text "今年比去年猛！" at the bottom. Apart from the English phrase itself, all other text in Chinese only.

2. market share（市场份额）

文件名: market-share.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English phrase "MARKET SHARE" displayed prominently, with "SHARE" in bold orange styled like a pie chart slice. A giant pizza-shaped market pie sits on a table. Cute brand mascots fight over slices with forks and knives — one grabs an enormous slice while others scramble for crumbs. Chinese text "蛋糕就这么大，你分多少？" at the bottom. Apart from the English phrase itself, all other text in Chinese only.

3. product portfolio（产品组合）

文件名: product-portfolio.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English phrase "PRODUCT PORTFOLIO" displayed prominently, with "PORTFOLIO" split as "PORT· FOLIO", root "PORT" in orange (meaning 携带/carry). A businessperson carries an oversized briefcase that opens to reveal dozens of tiny products neatly arranged like a bento box — phones, tablets, earbuds, scooters all in their own compartments. Chinese text "全家桶了解一下" at the bottom. Small annotation "port = 携带" near the root. Apart from the English phrase itself, all other text in Chinese only.

4. Ideal for everyday use.（非常适合日常使用）

文件名: ideal-for-everyday-use.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English sentence "IDEAL FOR EVERYDAY USE" displayed prominently, with "IDEAL" in bold orange surrounded by sparkle stars. A cute smartphone character wears a superhero cape but does mundane daily tasks — brushing teeth, making coffee, commuting on the subway — all while looking effortlessly cool. Chinese text "日常神器，天天都能用" at the bottom. Apart from the English phrase itself, all other text in Chinese only.

5. long-term performance（长期性能）

文件名: long-term-performance.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English phrase "LONG-TERM PERFORMANCE" displayed prominently, with "PERFORMANCE" split as "PER· FORM· ANCE" and root "FORM" in orange. A cute battery character runs a marathon on an ultra-long track. It has been running for years — beard grown long, still energetically sprinting. Other batteries collapsed at the starting line. Chinese text "三年后还是一条好汉" at the bottom. Apart from the English phrase itself, all other text in Chinese only.

6. takeaway（要点/核心收获）

文件名: takeaway.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English word "TAKEAWAY" displayed prominently, split as "TAKE" in bold orange and "AWAY" in teal. A person walks out of a meeting room carrying a giant takeaway food box, but inside the box are glowing key points and golden nuggets of wisdom instead of food. Others in the room wave goodbye. Chinese text "开完会，带走这几个重点" at the bottom. Apart from the English word itself, all other text in Chinese only.

7. Sounds like we're on the same page.（看来我们想法一致）

文件名: sounds-like-were-on-the-same-page.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English sentence "SOUNDS LIKE WE'RE ON THE SAME PAGE" displayed prominently, with "SAME PAGE" in bold orange. Two cute coworkers sit across a table, both simultaneously open identical notebooks to the exact same page, eyes wide in surprise, then high-five. Sparkle effects between them. Chinese text "咱俩想到一块去了！" at the bottom. Apart from the English phrase itself, all other text in Chinese only.

8. Let's stay in touch.（我们保持联系）

文件名: lets-stay-in-touch.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English sentence "LET'S STAY IN TOUCH" displayed prominently, with "TOUCH" in bold orange with glowing fingertip connection lines. Two cute business people walk away from each other after a meeting, but their index fingers stretch out like rubber bands, still connected by a glowing orange thread. Neither can fully leave. Chinese text "走了也别断联系！" at the bottom. Apart from the English phrase itself, all other text in Chinese only.

9. grow steadily（稳步增长）

文件名: grow-steadily.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English phrase "GROW STEADILY" displayed prominently, "GROW" in orange with letters getting progressively bigger, "STEADILY" underlined with a calm straight line. A cute bar chart character climbs stairs one step at a time, calm and confident. Other charts zoom up like rockets then crash. The steady one waves at the wreckage. Chinese text "不急不躁，稳稳上升" at the bottom. Apart from the English phrase itself, all other text in Chinese only.

10. revenue（营收）

文件名: revenue.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English word "REVENUE" displayed prominently, split as "RE· VENUE" with "RE" in orange (meaning 回来/back) and "VENUE" highlighted (from Latin venire = 来). A giant river of golden coins flows back into a company's front door like a reverse waterfall. A cute CFO stands at the door with a bucket catching coins. Chinese text "钱流回来了！" at the bottom. Small annotation "re = 回, venue = 来" near the roots. Apart from the English word itself, all other text in Chinese only.

11. a year-on-year growth of...（同比增长...）

文件名: a-year-on-year-growth-of.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English phrase "A YEAR-ON-YEAR GROWTH OF __%" displayed prominently, with the blank percentage in a bold orange box. A cute presenter stands before a giant screen showing two year bars side by side. The presenter stretches the "今年" bar upward with both hands like pulling taffy. An orange percentage badge glows between the two bars. Chinese text "同比增长填数字" at the bottom. Apart from the English phrase itself, all other text in Chinese only.

12. a MoM growth of...（环比增长...）

文件名: a-mom-growth-of.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English phrase "A MoM GROWTH OF __%" displayed prominently, "MoM" circled in orange with a tiny annotation "Month-over-Month". Two cute calendar months stand next to each other on a podium — "本月" flexes muscles showing it grew taller than "上月". A measuring tape stretches between them. Chinese text "月月比，月月涨" at the bottom. Apart from the English phrase itself, all other text in Chinese only.

13. consistent global growth（持续的全球化增长）

文件名: consistent-global-growth.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English phrase "CONSISTENT GLOBAL GROWTH" displayed prominently, with "CONSISTENT" split as "CON· SIST· ENT" and root "SIST" in orange (meaning 站立/stand firm). A cute Earth character walks forward on a steadily rising path, planting little flag pins on each continent as it goes. The path never dips. Chinese text "全球各地，稳稳地涨" at the bottom. Small annotation "sist = 站稳" near the root. Apart from the English phrase itself, all other text in Chinese only.

14. we were listed in...（入选...）

文件名: we-were-listed-in.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English phrase "WE WERE LISTED IN ___" displayed prominently, "LISTED" in bold orange styled like handwriting being added to a golden scroll. A cute company mascot nervously waits in line, then sees its name appear on a giant glowing honor roll. It jumps with joy, confetti falls. Chinese text "上榜了！" at the bottom. Apart from the English phrase itself, all other text in Chinese only.

15. a very broad and competitive product（非常丰富且有竞争力的产品）

文件名: a-very-broad-and-competitive-product.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English phrase "A VERY BROAD AND COMPETITIVE PRODUCT" displayed, "BROAD" in extra-wide stretched letters, "COMPETITIVE" split as "COM· PETIT· IVE" with "PETIT" in orange (meaning 追求/seek). A giant product shelf stretches across the entire scene, packed with every category imaginable. Each product flexes like a bodybuilder. Competitors peek from behind looking nervous. Chinese text "又多又能打" at the bottom. Apart from the English phrase itself, all other text in Chinese only.

16. gadgets（小配件；小工具）

文件名: gadgets.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English word "GADGETS" displayed prominently in bold orange, with tiny tool and accessory icons (earbuds, bands, chargers) hidden between and around the letters. A person opens a drawer and an avalanche of cute tiny devices tumbles out — smartwatches, dongles, cables, power banks — all with tiny faces looking excited. Chinese text "一堆小玩意儿" at the bottom. Apart from the English word itself, all other text in Chinese only.

17. dropped from A to B（从A降到B）

文件名: dropped-from-a-to-b.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English phrase "DROPPED FROM A TO B" displayed prominently, "DROPPED" in red with a dramatic downward arrow incorporated. A cute number character stands on a high platform "A", slips on a banana peel, and tumbles down a slide landing on lower platform "B". Stars and swirls around its head. Chinese text "从A一路滑到B" at the bottom. Apart from the English phrase itself, all other text in Chinese only.

18. were roughly flat MoM（环比持平）

文件名: were-roughly-flat-mom.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English phrase "WERE ROUGHLY FLAT MoM" displayed prominently, "FLAT" in orange and visually squashed/compressed flat. A cute line chart character lies completely horizontal like a pancake between two month markers. It shrugs casually. Other charts around it go up and down dramatically. Chinese text "这个月跟上个月差不多" at the bottom. Apart from the English phrase itself, all other text in Chinese only.

19. Sth. came in below expectations（低于预期）

文件名: came-in-below-expectations.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English phrase "CAME IN BELOW EXPECTATIONS" displayed prominently, "BELOW" in red sinking downward below a dashed line. A cute bar chart tries to reach a glowing target line above it but can't — it stretches and jumps on tiptoes but still falls short. The target line looks down with crossed arms. Chinese text "没够着预期线" at the bottom. Apart from the English phrase itself, all other text in Chinese only.

20. the same period last year（去年同期）

文件名: the-same-period-last-year.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English phrase "THE SAME PERIOD LAST YEAR" displayed prominently, "SAME PERIOD" in bold orange. Two identical calendar pages float side by side — one dusty and faded labeled "去年", one shiny and new labeled "今年". Both show the exact same month and dates. A magnifying glass compares them. Chinese text "去年这时候是啥样？" at the bottom. Apart from the English phrase itself, all other text in Chinese only.

21. cumulative deliveries（累计交付）

文件名: cumulative-deliveries.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English phrase "CUMULATIVE DELIVERIES" displayed prominently, with "CUMULATIVE" split as "CUMUL· ATIVE" and root "CUMUL" in orange (meaning 堆积/heap). Delivery trucks line up endlessly, each adding its cargo to a growing mountain of delivered boxes. A counter at the top spins rapidly upward. The mountain reaches the clouds. Chinese text "一台一台加起来，累计交了这么多" at the bottom. Small annotation "cumul = 堆积" near root. Apart from the English phrase itself, all other text in Chinese only.

22. There is an increase of [数字] in [品类].（某品类增长了[数字]）

文件名: there-is-an-increase-of.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English sentence template "THERE IS AN INCREASE OF __ IN __" displayed prominently, "INCREASE" in bold orange with an upward arrow. A cute product category box stands on a scale. A giant upward arrow lifts it higher. Two blank orange badges wait to be filled in — one for the number, one for the category. Chinese text "某品类涨了多少，一句话说清" at the bottom. Apart from the English phrase itself, all other text in Chinese only.

23. [Sth] saw/recorded an increase of [数字].（某物录得增长）

文件名: saw-recorded-an-increase-of.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English phrase "[STH] SAW / RECORDED AN INCREASE OF __" displayed prominently, "SAW" and "RECORDED" both in orange with a slash between them showing they're interchangeable. A cute data chart character holds binoculars (saw = 看见) and a notebook (recorded = 记录), watching numbers climb upward. Chinese text "数据亲眼看到自己涨了" at the bottom. Apart from the English phrase itself, all other text in Chinese only.

24. [Sth] saw a jump/surge/leap of [数字].（某物出现跳升/激增）

文件名: saw-a-jump-surge-leap-of.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English phrase "[STH] SAW A JUMP / SURGE / LEAP OF __" displayed prominently, "JUMP", "SURGE", "LEAP" in bold orange stacked like escalating steps. Three cute number characters — one hops, one surfs a wave, one does a superhero leap — each going higher than the last. Dramatic motion lines everywhere. Chinese text "不是涨，是飙！" at the bottom. Apart from the English phrase itself, all other text in Chinese only.

25. [Sth] accounted for/took up/made up [比例].（某物占比[比例]）

文件名: accounted-for-took-up-made-up.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English phrase "ACCOUNTED FOR / TOOK UP / MADE UP __%" displayed prominently, all three expressions in orange as interchangeable synonyms. A giant pie chart sits on a table. One confident slice pushes others aside to claim its portion, wearing a badge with a percentage sign. Other slices squeeze together nervously. Chinese text "这块饼归我，占了这么多" at the bottom. Apart from the English phrase itself, all other text in Chinese only.

26. The figure peaked in August at just over xx million units.（数据在8月达到峰值）

文件名: the-figure-peaked-in-august.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English sentence "THE FIGURE PEAKED IN AUGUST AT JUST OVER XX MILLION UNITS" displayed, with "PEAKED" in bold orange and its letters arranged in a mountain peak shape. A cute line chart character climbs a mountain trail month by month. At the "8月" peak, it plants a flag triumphantly. The path goes downhill after. Chinese text "8月登顶！" at the bottom. Apart from the English phrase itself, all other text in Chinese only.

27. Growth started to slow down after July.（7月后增长放缓）

文件名: growth-started-to-slow-down.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English sentence "GROWTH STARTED TO SLOW DOWN AFTER JULY" displayed prominently, "SLOW DOWN" in orange with letters progressively stretched wider and lazier. A cute rocket that was zooming upward suddenly runs out of fuel after a "7月" marker. It sputters, yawns, and starts drifting slowly upward in slow motion. Chinese text "7月以后就没劲了" at the bottom. Apart from the English phrase itself, all other text in Chinese only.

28. The drop in Q4 was noticeable but not dramatic.（Q4下降明显但不剧烈）

文件名: the-drop-in-q4-was-noticeable.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English sentence "THE DROP IN Q4 WAS NOTICEABLE BUT NOT DRAMATIC" displayed, "NOTICEABLE" in orange, "DRAMATIC" with a strikethrough effect. A cute line chart takes a small step down off a low curb — just a little stumble, not a cliff dive. Nearby, a dramatic chart falls off a skyscraper for contrast. The Q4 chart shrugs casually. Chinese text "跌了一点，但没崩" at the bottom. Apart from the English phrase itself, all other text in Chinese only.

29. Q4 softness may be related to seasonality.（Q4疲软可能与季节性有关）

文件名: q4-softness-seasonality.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English phrase "Q4 SOFTNESS MAY BE RELATED TO SEASONALITY" displayed, "SOFTNESS" in a wobbly soft font, "SEASONALITY" in bold orange. A cute Q4 data bar lies on a couch wrapped in a winter blanket, looking sleepy and soft. Snowflakes and autumn leaves swirl around it. A calendar showing Oct-Dec hangs on the wall. Chinese text "Q4犯困？可能是季节性的" at the bottom. Apart from the English phrase itself, all other text in Chinese only.

30. Despite the dip, full-year shipments remained at a healthy level.（尽管下降，全年出货仍健康）

文件名: despite-the-dip-healthy-level.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English sentence "DESPITE THE DIP, FULL-YEAR SHIPMENTS REMAINED AT A HEALTHY LEVEL" displayed, "DIP" in red dipping downward, "HEALTHY LEVEL" in green. A cute annual bar chart character has a small dent/bruise on its head (the dip) but stands tall and flexes its muscles, showing off a doctor's health check badge. Chinese text "小跌不碍事，全年还是很健康" at the bottom. Apart from the English phrase itself, all other text in Chinese only.

31. That's a good question. I was about to explain that later.（好问题，我稍后正要解释）

文件名: thats-a-good-question.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English sentence "THAT'S A GOOD QUESTION. I WAS ABOUT TO EXPLAIN THAT LATER." displayed, "GOOD QUESTION" in bold orange with a sparkle effect. A cute presenter at a podium gets asked a question. Instead of panicking, they smoothly point to a later slide on their deck with a calm smile and finger guns. The questioner looks impressed. Chinese text "好问题！后面正要讲" at the bottom. Apart from the English phrase itself, all other text in Chinese only.

32. This is mainly because...（主要是因为...）

文件名: this-is-mainly-because.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English phrase "THIS IS MAINLY BECAUSE..." displayed prominently, "MAINLY" in bold orange. A cute detective character holds a giant magnifying glass over a pile of reasons. One huge reason block labeled "主因" glows orange and towers over tiny blocks labeled "次因". The detective points at the big one confidently. Chinese text "主要原因就是这个" at the bottom. Apart from the English phrase itself, all other text in Chinese only.

33. This is partly due to...（部分原因在于...）

文件名: this-is-partly-due-to.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English phrase "THIS IS PARTLY DUE TO..." displayed prominently, "PARTLY" in orange styled like a half-completed puzzle piece. A jigsaw puzzle of reasons is on a table — only one piece is placed, glowing orange, while other empty slots wait. A cute analyst places the first piece and gestures "还有其他原因". Chinese text "原因之一在于……" at the bottom. Apart from the English phrase itself, all other text in Chinese only.

34. One reason could be that...（一个可能的原因是...）

文件名: one-reason-could-be-that.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English phrase "ONE REASON COULD BE THAT..." displayed prominently, "ONE REASON" in bold orange, "COULD BE" in dashed/dotted style suggesting uncertainty. A cute analyst holds up one finger, eyebrow raised, standing next to a whiteboard with a thought bubble containing a lightbulb. A question mark floats nearby — it's a hypothesis, not a conclusion. Chinese text "有一个可能的原因……" at the bottom. Apart from the English phrase itself, all other text in Chinese only.

35. This may reflect...（这可能反映了...）

文件名: this-may-reflect.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English phrase "THIS MAY REFLECT..." displayed prominently, with "REFLECT" split as "RE· FLECT" and root "FLECT" in orange (meaning 弯/bend). A cute data chart looks into a mirror. The mirror reflects a deeper insight — showing the underlying trend behind the numbers. The chart looks surprised at its own reflection. Chinese text "数据背后可能反映了……" at the bottom. Small annotation "flect = 弯/折射" near root. Apart from the English phrase itself, all other text in Chinese only.

36. This has a lot to do with...（这和...有很大关系）

文件名: this-has-a-lot-to-do-with.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English phrase "THIS HAS A LOT TO DO WITH..." displayed prominently, "A LOT" in bold orange extra large. Two things are connected by thick tangled ropes — a result block and a cause block. The ropes are so thick and many that a cute character can barely squeeze between them. Chinese text "这俩关系大了去了" at the bottom. Apart from the English phrase itself, all other text in Chinese only.

37. While shipments in China peaked in..., India reached its high point in...（中国出货量达峰值，印度达高点）

文件名: while-china-peaked-india-reached.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English sentence "WHILE...PEAKED IN..., ...REACHED ITS HIGH POINT IN..." displayed, "WHILE" in bold orange highlighting its role as a contrast connector. Two cute mountain peak characters stand side by side — one with a Chinese flag at the top reaches its peak first, the other with an Indian flag peaks at a different time. Both wave at each other across a timeline. Chinese text "这边刚到顶，那边才开始冲" at the bottom. Apart from the English phrase itself, all other text in Chinese only.

38. By contrast,...（相比之下...）

文件名: by-contrast.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English phrase "BY CONTRAST" displayed prominently, with "CONTRAST" split as "CON· TRAST" and the root in orange (meaning 相反/against). A split scene — left side shows a sunny booming chart going up, right side shows a rainy struggling chart going down. A cute pointer character stands in the middle gesturing to both sides. Chinese text "相比之下……" at the bottom. Apart from the English phrase itself, all other text in Chinese only.

39. Unlike A which..., B...（与A不同的是...B...）

文件名: unlike-a-which-b.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English phrase "UNLIKE A WHICH..., B..." displayed prominently, "UNLIKE" in bold orange with a big "≠" sign. Two cute characters A and B stand side by side — A does one thing (going up), B does the complete opposite (going down). A giant "≠" symbol floats between them. Both look at each other confused. Chinese text "A是A，B完全不一样" at the bottom. Apart from the English phrase itself, all other text in Chinese only.

40. This may suggest differences in market maturity.（这可能暗示市场成熟度差异）

文件名: differences-in-market-maturity.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English sentence "THIS MAY SUGGEST DIFFERENCES IN MARKET MATURITY" displayed, "MARKET MATURITY" in bold orange. Two market trees side by side — one is a fully grown oak tree with fruit (mature market), the other is a tiny sprout just starting (young market). Both labeled with their own stage. Chinese text "有的市场是老大哥，有的还在长个儿" at the bottom. Apart from the English phrase itself, all other text in Chinese only.

41. actual shipments were below target（实际出货低于目标）

文件名: actual-shipments-below-target.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English phrase "ACTUAL SHIPMENTS WERE BELOW TARGET" displayed prominently, "BELOW" in red sinking down, "TARGET" in orange with a bullseye icon. A cute arrow character aims at a target on the wall but lands below it, sticking into the ground beneath the target. It looks up at the target with disappointment. Chinese text "差一点没够到目标" at the bottom. Apart from the English phrase itself, all other text in Chinese only.

42. exceeded the original target（超出原目标）

文件名: exceeded-the-original-target.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English phrase "EXCEEDED THE ORIGINAL TARGET" displayed prominently, "EXCEEDED" split as "EX· CEED" with "EX" in orange (meaning 超出/beyond). A cute bar chart character bursts through a glass ceiling labeled "目标线", soaring above it with a cape flying behind. Broken glass pieces scatter. The target line looks shocked. Chinese text "超标了！冲破天花板！" at the bottom. Small annotation "ex = 超出" near prefix. Apart from the English phrase itself, all other text in Chinese only.

43. performed better than expected（表现优于预期）

文件名: performed-better-than-expected.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English phrase "PERFORMED BETTER THAN EXPECTED" displayed prominently, "BETTER" in bold orange pointing upward, "EXPECTED" in dashed line style. A cute result character stands on a podium, towering above a dashed "预期线". It looks down smugly at the expectation line. Confetti falls. Chinese text "比预想的还厉害" at the bottom. Apart from the English phrase itself, all other text in Chinese only.

44. fell short of the target（未达目标）

文件名: fell-short-of-the-target.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English phrase "FELL SHORT OF THE TARGET" displayed prominently, "FELL" in red tumbling downward, "SHORT" in tiny compressed letters. A cute small character stretches on tiptoes trying to reach a shelf labeled "目标" but is comically too short. It stacks books, chairs, everything — still can't reach. Chinese text "差那么一点点！" at the bottom. Apart from the English phrase itself, all other text in Chinese only.

45. underperformed（表现不佳）

文件名: underperformed.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English word "UNDERPERFORMED" displayed prominently, split as "UNDER· PERFORM· ED" with "UNDER" in red (meaning 低于/below) and "PERFORM" in orange. A cute athlete character tries to do a high jump but barely lifts off the ground, going under the bar instead of over it. The bar stays untouched. Judges hold up low score cards. Chinese text "发挥失常，没到位" at the bottom. Apart from the English word itself, all other text in Chinese only.

46. outperformed（表现优异）

文件名: outperformed.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English word "OUTPERFORMED" displayed prominently, split as "OUT· PERFORM· ED" with "OUT" in bold orange (meaning 超越/beyond) and "PERFORM" in teal. A cute athlete character does a high jump, soaring far above the bar. Other competitors watch from below, jaws dropped. The bar is hilariously far below. Judges hold up perfect 10s. Chinese text "碾压全场！" at the bottom. Apart from the English word itself, all other text in Chinese only.

47. contract signing（合同签署）

文件名: contract-signing.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English phrase "CONTRACT SIGNING" displayed prominently, with "CONTRACT" split as "CON· TRACT" and root "TRACT" in orange (meaning 拉/pull together). Two cute businesspeople pull a giant pen together to sign an oversized contract document. The pen is comically large. Golden sparkles fly from where the pen touches the paper. Chinese text "签合同，拉到一起" at the bottom. Small annotation "tract = 拉" near root. Apart from the English phrase itself, all other text in Chinese only.

48. archiving（归档）

文件名: archiving.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English word "ARCHIVING" displayed prominently, "ARCHIV" in bold orange with a tiny filing cabinet icon. A cute office worker carefully places documents into a giant organized filing cabinet. Each drawer is neatly labeled. The worker dusts off their hands with satisfaction. A mountain of loose papers behind them has been tamed. Chinese text "归档大法好" at the bottom. Apart from the English word itself, all other text in Chinese only.

49. clause（条款）

文件名: clause.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English word "CLAUSE" displayed prominently in bold orange, styled as if circled/highlighted on a contract page. A giant contract document hangs on a wall. A cute lawyer character with a magnifying glass examines one specific line, which glows orange. Other lines look nervous wondering if they'll be scrutinized next. Chinese text "这条条款要注意！" at the bottom. Apart from the English word itself, all other text in Chinese only.

50. under internal review（内部审核中）

文件名: under-internal-review.png

Prompt: Cute flat illustration, warm pastel colors, orange accents, clean background, humorous. The English phrase "UNDER INTERNAL REVIEW" displayed prominently, "UNDER" in orange, "REVIEW" split as "RE· VIEW" with "RE" highlighted (meaning 再次/again). A document character sits nervously in a waiting room inside a company building. Behind a glass door, multiple pairs of eyes examine copies of it with magnifying glasses. A sign on the door reads in Chinese "内部审核中". Chinese text "正在内审，请稍等" at the bottom. Apart from the English phrase itself, all other text in Chinese only.
